

# SUNCREST ORCHARDS ALPACA'S FIBER MILL

---

Suncrest Orchard Alpaca, LLC and Fiber Works is a full service Mini-Mill fiber processing center using Belfast Mini Mill products.

Well skirted fiber is essential to minimize fiber loss during processing. We prefer to work hard for you in a way that will increase your profitability on the products you receive. We do reserve the right to refuse to process any fiber that is not satisfactory to our standards for processing through our equipment.

## Fiber Standards are as follows:

- A. All fiber is to be a minimum of 2" and a maximum of 6" in length to process properly.
- B. All Animals needs to be a sheared every year, No 2 years of growth between shearing.
- C. All Fiber shall be well skirted and placed in a clear plastic bag.
- D. All Fiber received will be washed
- E. Minimum of a 3 lbs processing order (one Run)

## Pricing

- Washing, Picking, Fiber Separation - \$15.00/ lbs (incoming weight)
- Rovings - \$5.00/lbs (finish weight)
- Batts - \$5.00/lbs (finish weight)
- Felting - \$9.00/lbs (includes the batt cost)

## Yarn
